Managing Director

Dear Sir,

**Re: APPLICATION FOR APPROVAL OF BLASTING MATERIAL AND BE LISTED UNDER PETRONAS APPROVED LIST FOR DURAGRIT CRYSTAL BLADE GLASS GRIT**

We are pleased to inform that PETRONAS Protective Coating Technical Committee (PPCTC) hereby confirmed that we had carried out technical assessment for DURAGRIT CRYSTAL BLADE GLASS GRIT by MyGrit Abrasive Sdn Bhd. to be used in PETRONAS facilities and its subsidiaries.

The DURAGRIT CRYSTAL BLADE GLASS GRIT Product is now APPROVED for usage at PETRONAS facilities and its subsidiaries with immediate effect until a period of 5 years from the date of this letter. Contractor is required to conduct relevant tests at site as required by Asset owners to check product quality. Asset owner is advised to discuss detail on products specification, application, warranty term and limitations prior using it with the vendor.

Above product will be listed under PETRONAS Approved Abrasive Master List.

Followings are the conditions that read together with this approval;

- a) *PETRONAS reserves the right to partially or completely withdraw any approval given to the vendor should there is any technical discrepancies found with their product and/ or services.*
- b) *PETRONAS and its subsidiaries have the right to request for full reimbursement to the vendor on any expenses incurred as a result of product and/ or service discrepancies that affected the quality of the work.*
- c) *The vendor shall provide their utmost product quality and workmanship to ensure best performance rendered for their work and product.*
- d) *At any time or condition, PETRONAS may randomly request the vendor to submit their product for quality testing to accredited third party laboratory e.g. SIRIM Shah Alam to ensure the supplied products to the market are sustainably meeting the product specifications and compliance to PETRONAS requirement. The cost of the testing shall be borne by the vendor.*
- e) *Product application must be compliance to PTS 15.20.03 Protective Coating and Linings*

We are looking forward to your active participation in our energy business.
